

STANDARD

TACTICAL

PURSUIT OF EXCELLENCE THE DEVIL DOG ARMS 1911

Our premium sidearm comes in 9mm, 10mm, and 45ACP calibers. With a choice of a standard or tactical frame and a barrel length from 3.5", 4.25", and 5" there is a DDA 1911 for you. All firearms are heat treated and machined with oversized front and rear serrations and a domestic 416 stainless steel match grade button rifled double stress relieved barrel. Contact Devil Dog Arms to get yours today.
